

From the Commodore

*Norman Longberry (419) 826-5955
E-mail: nlongberry@aol.com*

By the time you read this article the docks will be in and the dock party over. I would like to thank all who helped on the docks at the work parties and for getting them in on a cold rainy Saturday.

With the start of the sailing season I would like to remind all of you that the Decker Trophy is for the member who has logged the most cruising miles for the year. If you think you would like to get it, keep track of your cruising miles, not race miles, and turn them in after sailing season. We are not going to keep track for you this year and figure out who has traveled or went where. If you don't turn them in we will have to assume you just stayed at the dock or just raced all year.

We have the Cattail Regatta coming up June 4th; if you would like to help and get work hours in, contact Tom Marriot to see what needs to be done.

Don't forget that the Buccaneer Race is coming up on June 25th. Contact Larry Marter or Matt Kern if you want to volunteer to help out.

While at the I-LYA meeting in April, I talked to Ron and Kay Soka about adding a Casual Cruising class in the Mills Race for 2006. They are thinking of adding it for 2005 race; contact them if you are interested in participating.

Let's have a safe and fun Sailing season.

The docks are in but I have yet to uncover the boat. I missed the good weather window and now will likely do most of the work after it's in the water. I hope we still have a "Spring" because if it gets too hot the work doesn't get done.

We had a good turnout for the dock launching but the yard work we planned to do was nixed by the weather. There are always work hours available to those who need them. Call one of the work chairmen for ideas on work that needs completion. I couldn't stay to see the last dock in the water, but I sampled the chili and it was delicious. Thanks to Bill Sedlock, Craig Keating and all who made lunch for the cold weary dock crew. Hope to see all at the Dock Opening Party.

.....
Basket of Cheer

PC Arne B. Hansen (419) 893-9312

A fundraiser is going to be held to raise extra money for the band that Commodore Norm Longberry would like at the 2005 Change of Watch dinner. With your help, the fundraiser will allow Norm his dream of hearing the 'Geeze Cats' at his party. If you could spare a bottle of

liquor, the donation will be put in a basket to be raffled off. **The winner will be announced at the Cattail Regatta.**

Please call me at (419) 893-9312 to purchase tickets or pick up your donation of a bottle of liquor.

E-mail: panacarrsail@excite.com

Saturday, April 23rd, Windy, Cold, Raining, Miserable. However, thanks to a group of dedicated JRSC members who suited up and flexed their muscles, the docks went in as scheduled, in under 3 hours. When Bud Aosseay drove his diesel tractor rig up the driveway and back to the barn to get the lifting frame before 9:00 a.m., we all knew it was a go. Special thanks to: Bud Aosseay, his rig makes it so easy and timeless to do the docks; Tom Thanasiu, Craig Keating, and Bill Sedlock for the food afterwards, and the hot coffee, especially during the morning, was fabulous. As you might guess, Bill's chili was well flavored and delicious. It complimented the selection of meats and breads provided for those great sandwiches.

By the time you read this, the dock lighting system will be installed, and the new water system should be started. The two motor assemblies should be mounted on the hoist, docks will be assigned accordingly and posted on the board next to the front door, and the docks will have already been blessed. Glad to see that the dock applications, this year, include members "returning" to dock at JRSC. "Yes, the glass is always half full!" As always, comments, suggestions, and questions are welcome. See you on the docks.

JRSC Cruising Fleet

Hank Wasilausky (419) 698-4122

E-mail: Wasilauskyh@aol.com

The JRSC Cruising Fleet will sail on the following dates to various destinations around the area.

May 21-22 – The fleet will rendezvous at the Toledo Harbor Light at noon and sail to downtown Toledo. We will tie up at the docks at International Park for dinner and then tie up at Portside for overnight. Departure will be at 10:00 a.m. on the following day. Call (419) 698-4122 to make a reservation for the Portside dock.

June 17-19 – The fleet will rendezvous at the water intake off Cooley Canal at noon and sail to Cedar Point. Saturday will be spent at Cedar Point Amusement Park. Return will be at 9:00 a.m. on Sunday.

July – Still in the planning stages!

August 27 – September 5 (Labor Day) – The fleet will sail up the Detroit River to Port Huron or beyond. Then return to spend Saturday, Sunday and Labor Day at Leamington, Canada, returning home on Labor Day.

September 23-25 – Last Bash to the Bay

West Marine is the title Sponsor for 2005 regatta. Bay Week is now the “West Marine I-LYA Regatta”.

The race schedule for the 2005 season was confirmed and it should be posted on the web site at www.I-LYA.com. I am now the Chairman for the Casual Cruising Class; see me if you want information on the courses or if you qualify to race in the class.

The I-LYA Yachtsman of the Year is John Thompson from TYC. I received the Commodores Award of Commendation.
