May brought lots of activity in the yard. I ran into Chad, Don, Jeff, Steven, and of course Ralph, busily working on their boats. We even had two boats on the docks for our Dock Opening party, which was a great success. Thank you Lynne and Stephanie.

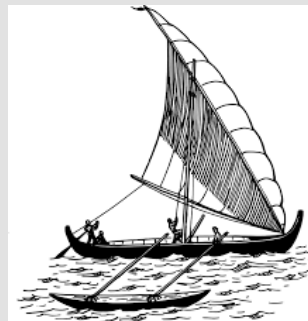

Recently we have had a few personal items turn up missing, from the Junior shed. Please return them. Also, let me reiterate, NO personal items should be left at the club unless tagged and storage has been paid on them. Unidentified items will be assumed to be club property, and disposed of, or used as needed by the club. This has been posted numerous times and is now a practice to avoid the accumulation of unwanted items.

If you are not aware from emails and Facebook posts, the club has acquired a Dyer Dink dingy. The dingy is in like new condition with an estimated retail value of \$5000. We are raffling it off as a club fund raiser for \$20.00 a ticket. The drawing will be at the Fall Series.

Please note that our Captain Ron Trivia Night has been postponed until June 24th. We are all looking forward to how Phil will tax our minds with that.

Last, thank you all for participating in the dock opening, and work parties. You are what keeps the club alive and vital.

The boats are painted and waxed. The docks are ready. The hoist is patiently standing by. The 2022 season is ramping up. It's time to launch those boats. LET'S GO SAILING!

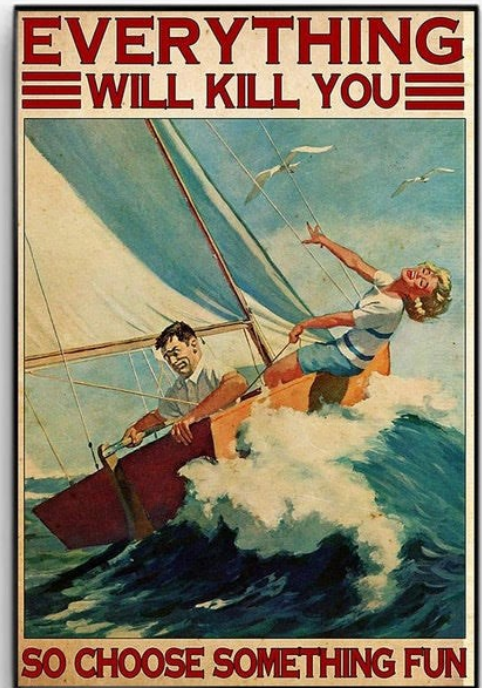

And on another note...

The Cattail Regatta is the premier racing event at the club every year. This season is no exception. Mark your calendars for Saturday, June 4<sup>th</sup>. Even if you are not racing, be sure to come out to the event and stay for dinner. The racing will be in the river and you'll have a great view of the action from the end of our docks. Chris and Jim Davis are your Race Committee again this year. Skipper's meeting at 11am. Racing begins at Noon. Dinner and awards between 4pm and 5pm.

For the Cattail we already have about a dozen volunteers, but we still need a few more. We need bartenders and kitchen workers. Call or email me if you can help.

And on yet another note...

Don't forget to sign up as an on-the-water instructor for Adult Sailing. Orientation for the first session is Monday, June 6th (7 pm). We currently have 21 enthusiastic students signed up and I hope to have 30 by the 6th. This is absolutely the best way for you to get your work hours done. And Adult Sailing is the number one recruitment program for this club. We need your help again this year to make this program a success. Call or email me if you can help out as an instructor.

From the Desk of the Financial Secretary

I am starting to get my boat ready for the water and am looking forward to a great sailing season with the club as my base.

As you prepare to launch your boat at the club dock, please obtain the necessary forms from the front of the club, or online at our website, fill them out, and submit them with a check. Contact the dock chairman to make arrangements for getting an assigned space.

Be sure to contact the yard chairman if you are storing a boat or trailer/cradle in the yard for the season also. Club rules require that your name be on your trailer/ cradle.

## PRELIMINARY JOLLY ROGER RACING SCHEDULE FOR 2022

We held a very well attended meeting about JRSC Racing in late February. As you may know, we have a very ambitious racing schedule for Jolly Roger this year.

- § Thursday, June 2nd – River Racing begins.
- § Saturday, June 4<sup>th</sup> – Cattail Regatta
- § Saturday, July 30<sup>th</sup> – Gul-Burg Race (Meinke's)
- § Saturday, August 27<sup>th</sup> – The Fall Series
- § Sunday, September 4<sup>th</sup> – Buccaneer/West Sister Race
- § Thursday, September 29<sup>th</sup> – Final River Race

Your Principal Race Officer for each JRSC event is as follows:

- o Wednesday Night Racing (Meinke's / Anchor Point) – Tom Beck (details regarding this series to follow)
- o Thursday Night River Racing – Phil Fry
- o Cattail Regatta – P.R.O. needed
- o Gul-Burg Race – P.R.O. needed
- o The Fall Series – Phil Fry
- o Buccaneer/West Sister Race – Dave Gonzales

Watch our website ([www.jollyrogersailingclub.com](http://www.jollyrogersailingclub.com)) for the Notice of Race on all of these events. I should also have some more details in the next Skulldugger.

## Blessing of the Docks May 21st, 2022

Maker, Creator and Sustainer,  
Author of wind and wave; water and wine.  
We thank you for these great many planks  
who have joined together to hold our feet safely above the waters.  
We thank you for these steadfast steel pilings,  
who hold fast to the firm foundation they've laid in this place.  
We thank you for our finger docks,  
who reach out to receive with open arms all who would dare  
heed the call of the Jolly Roger Sailing Club:  
**"Come and sail!"**

O God of all, in whose mighty presence we are gathered,  
we ask your blessings upon these mere boards of wood,  
these poles of steel, and these floats of plastic.  
Lord, because we sail, we have seen and we know  
that you surround us, for the holy is always shining forth from the common.  
For it is from here, that the sacred bond between ship and sailor are forever forged.  
It is from here, that we leave land to experience the mysterious melding of soul, sea, and sky.  
And it is from here, that our journeys both begin and end.

We humbly ask that you bless and protect each person,  
every sailor, every man, woman and child, as they come and go upon this dock.  
May each of us see we are cared for and each of us know we are loved.

Lord, we ask that we continue to be students of the sacred,  
that our eyes may see and our ears may hear the countless lessons being taught all around us.  
Help us to see that it is **only** by the partnership of each plank  
working in unity with its neighbor, its brother and its sister,  
that this dock can extend out from the bulkhead to do its good work,  
for it is only through the courage and care of collective unity  
that mere wood and metal can launch lives.

So Lord, we ask that this family,  
these friends and neighbors, these brothers and sisters,  
this **whole club** of which we are all a part,  
may continue to grow more and more like this dock.  
May our unity continue hold feet safely above the waters,  
may our legacy continue to lay a firm foundation in this place,  
and may our joy reach out with open arms to receive all who would dare  
heed the call of the Jolly Roger Sailing Club: **"Come and sail!"**  
**AMEN.**

## VESSEL SAFETY CHECK

The purpose of the Vessel Safety Check (VSC) is to assure that the vessel is in compliance with State and Federal requirements. In other words, that the vessel is equipped to operate safely on our waterways. VSC is free and takes fifteen to thirty minutes to complete, contingent upon the length and type of vessel. Vessels that meet VSC requirements are awarded a decal, an indication to other boaters that the vessel meets minimum requirements to operate safely.

### VSC Decal Requirements

- ⇒ Display of Registration number
- ⇒ State/Federal Registration Documents
- ⇒ Personal Flotation Devices
- ⇒ Visual Distress Signals
- ⇒ Fire Extinguishers (must be less than 12 years old)
- ⇒ Ventilation (gasoline inboard engines)
- ⇒ Backfire Flame Control (gasoline inboard engines)
- ⇒ Sounding Producing Devices
- ⇒ Navigation Lights
- ⇒ Pollution Placard (vessels 26 ft. and over)
- ⇒ MARPOL Trash Placard (vessels 26 ft. and over)
- ⇒ Marine Sanitation Devices
- ⇒ Navigation Rules (vessel 39.4 ft. and over)
- ⇒ State /Local Requirements

Brief explanations of the above requirements are available on request: email John Miga at [migajm@toast.net](mailto:migajm@toast.net) to download a copy.

To schedule a VSC: contact John Miga.....consider having VSC before launching.

Adult Sailing 2022

(419) 283-1340

One of the best ways for JRSC to recruit new members has always been through our adult sailing program. We will be offering two sessions of our “Learn to Sail” program again this year. The program has expanded and will include a one hour orientation, roughly ten hours of classroom instruction, six hours on the water, and a final hour long graduation reception. We want to get students out on the water, put a tiller in their fist, and sheets in their hands.

Session One:

Orientation on June 6<sup>th</sup> (7pm)

Classroom instruction on most Mondays (7pm) throughout the session

On-the-water (six hours) based on student and instructor availability

Graduation reception on July 25<sup>th</sup> (7pm)

Session Two:

Orientation on August 1<sup>st</sup> (7pm)

Classroom instruction on most Mondays (7pm) throughout the session

On-the-water (six hours) based on student and instructor availability

Graduation reception on September 26<sup>th</sup> (7pm)

**This is another ambitious goal for 2022, building on the success we had with the program last year.** Neil Whitehead will be in charge of classroom instruction. He has a great curriculum planned for 2022. We also received an educational grant last year and have all new textbooks.

What do I need from you? I need members willing to take students out on the water, either in a club boat or on your own vessel.

This will require a minimum eight hour commitment from you (which **will** count for club “work hours”). You will need to attend the orientation (where you will be matched with your students) and then spend six hours on the water with those new sailors. You do not have to be at the weekly classroom instruction, but you are welcome to attend and assist. You will also need to be at the one hour graduation reception where we will hopefully convert your students into new members.

The “Learn to Sail” program is flexible regarding your actual time on the water. Students normally request either three 2-hour sails, or two 3-hour sails. Weekdays, weeknights, or weekends --- the schedule is up to you and your students. Once you have been matched with your students, you will be their main contact point and the ambassador for JRSC.

With the launching of several of our club boats this spring, we will be able to teach students on those vessels. Remember, the ultimate goal is to get students to join JRSC, buy a boat, and place it on our docks. That being said, teaching them to sail on an 18 to 22 foot boat shows them that sailing is affordable and within their new skill set. But if you feel more comfortable teaching students on your own larger boat, that is acceptable. Instructors (and students) have options.

The initial orientation will take place on Monday, June 6 at 7:00 pm. You will have seven weeks until the graduation reception on Monday, July 25 to get all of the on-the-water instruction completed. I will provide you with a check list of the skills you will need to impart to your students. The second session will begin the week after the first class graduates.

In addition, if your student is interested in racing, ask them to crew with you (if you have room). But don't count this as part of their six hours of instruction. You won't actually have time to teach them anything. This will be bonus time on-the-water for them. (And it's a great way to develop future crew.)

We are also planning several fun races and short cruises throughout the summer for our general membership. If you are planning on participating in any of these events, feel free to invite your students. Again, don't count this as part of their six hours of instruction. These events are a great way to get students involved with JRSC outside of the course itself.

Are there any other ways you can help? Yes! Included in this month's Skulldigger is a one page flyer. Print it out. Take it to work and pin it to the bulletin board. Give it to a friend. Take it to your PTA meeting. You get the idea. Any exposure we can get is great for JRSC.

Please let me know if you can volunteer for the "Learn to Sail" program. I will be able to start signing up students when I know how many skippers are available.

So email me as soon as possible with the following information:

Your contact information

Your boat (name, size, location), or

If you wish to teach students on one of our club boats

The number of students you would feel comfortable teaching

Your availability (Session 1, Session 2 or both)

If you can assist with Monday classroom instruction (not mandatory)

It is imperative that I quickly know how many of you can volunteer as on-the-water instructors. In the past we have rarely turned away a potential new sailor. With enough volunteer instructors, we won't have to turn away any students this year.

Final note: I know eight + hours is a lot to ask. But I can think of no other time expenditure that has a greater chance of encouraging new sailors and gaining new members. And is there a better way to earn work hours than by taking people sailing?

# ADULT SAILING COURSE - LEARN TO SAIL !

Experience sailing on the Ottawa River or Lake Erie with one of our veteran instructors. Experience the joy of boating without the roar of a motor. Learn how sailboats harness the wind and what it's like to glide silently across the water. Whether you want to know what it takes to own a sailboat, want to learn about cruising, want to dip your toe into the competitive world of sailboat racing, or just want to see how relaxing it can be to spend time on the water, let our group of instructors from the Jolly Roger Sailing Club introduce you to sailing.

## **The Jolly Roger Sailing Club course includes:**

--- One hour orientation, going over safety procedures, what to wear, and matching you with the right instructor who fits your schedule. (We have boats available from 18 feet to 35 feet in length, and will match you with the right sailboat based on your comfort level and goals for the class. Our larger boats sail out of Curtice, Ohio and La Salle, Michigan.)

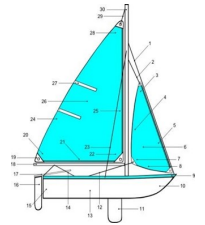

--- Ten hours of classroom instruction (spread out over five Mondays – 7:00 to 9:00 pm). The US Sailing text “Basic Keelboat” is on loan to you for study during your time in the course.

--- Six hours of on-the-water, hands on, instruction.

*(Your six hours of instruction can be taken in two 3-hour outings, or three 2-hour outings; weekdays, weeknights, or weekends. We are flexible and can match you with the instructor that fits your schedule.)*

--- One hour graduation reception that reviews the lessons you've learned, explains how easy (and relatively inexpensive) it is to own a sailboat, and tells you what your next steps are along the road to becoming a sailor.

**Space is limited. Reservations and pre-payment are required.**

## **Two available sessions...**

~~~ Session One ~~~

Orientation: June 6<sup>th</sup> (7pm)

Course duration: June 13<sup>th</sup> – July 18<sup>th</sup>

Graduation: July 25<sup>th</sup> (7pm)

~~~ Session Two ~~~

Orientation: August 1<sup>st</sup> (7pm)

Course duration: August 15<sup>th</sup> – September 19<sup>th</sup>

Graduation: September 26<sup>th</sup> (7pm)

Cost: \$95.00 per student (additional family members over 12 years of age can take the course with you for \$75.00 per person). JRSC is a member of US Sailing, I-LYA, and AYC. Note: This course is geared towards adults, we also have a junior sailing program available. Call or email for details.

**Eligibility:** Racing is open to all sailors who wish to race. JRSC membership is not a requirement. PHRF handicaps are not required for the Open Class. In the Open Class, competitors will be assigned a base handicap if they do not have a current PHRF-LE rating certificate. All applicable One Design rules for each fleet will be enforced. All participants must carry and provide a copy of insurance on their boats in order to race. Racers under 18 years of age must provide written parental permission to race.

**Racing Notes:** Scoring will be based on a High Points Scoring System. All of a vessel's finishes will be scored.

There are no throw outs. The race course will be determined by weather conditions and capabilities of the class. Multiple races per night will be scheduled if conditions allow. One completed race will constitute a series. A minimum of three boats will constitute a class.

**Awards/Scoring:** For the series, awards will be presented to the 1<sup>st</sup> place finisher in classes of three boats, the 1<sup>st</sup> and 2<sup>nd</sup> place finishers in classes of four boats, or the 1<sup>st</sup>, 2<sup>nd</sup>, & 3<sup>rd</sup> place finishers in classes of five or more boats.

**I understand, acknowledge and agree to hold harmless the Race Committee, Jolly Roger Sailing Club, its officers, or any individual so associated, from any liability, for accident, damage, illness, or injury of any kind for my participation in the race(s). I agree to comply with all the rules governing the race(s). It is the sole responsibility of myself as SKIPPER and the crew of this boat to decide whether or not to start or continue or finish the race(s).**

NOTICE OF RACE

# 2022 JRSC Cattail Regatta Saturday, June 4, 2022

## Jolly Roger Sailing Club

5961 Edgewater Drive Toledo, Ohio 43611

***Come join us as we return to our heritage and race again on the Ottawa River.***

The registration fee for the regatta will be \$30 per boat. We will have bottled water and snack bags available free of charge for all participating crews. JRSC will be hosting a cook out after the race for \$10 per person. Overnight camping for traveling crews is available at no additional charge.

***The Catalina 22 Class will also be competing for the Bruce Sondys Memorial Trophy, awarded annually as part of the JRSC Cattail Regatta.***

Although one race will constitute a series, we will attempt to run three to four races (weather conditions permitting). The exact format and starting order will be included in the Sailing Instructions (available at registration).

This regatta will be governed and scored per the **2021-2024 Racing Rules of Sailing**, the prescription of the One-Design rules, and the specific Sailing Instructions of this regatta.

***The Cattail Regatta*** is open to all One-Design classes with a minimum of three boats per class.

### Schedule of Events:

- 0800 – 1100: Rigging and Launching.  
1100: Skipper's Meeting.  
1155: First Warning Signal.  
1200: Start of First Class, Race 1. Races 2-3-4 to Follow. (No starts after 1600.)  
1700: Awards and Dinner.

***The Cattail Regatta*** will be sailed on an upriver/downriver format with the start and finish lines at the center of the course. The length and number of times around the course will depend on wind conditions and the performance capabilities of the Class. We will try for a true upwind start as much as possible.

**Registration will occur on the day of the event. We ask that you email us in advance if you plan to attend, so that we may have ample food on hand for all participants.**
