August is over and the second adult sail class is well under way. It is exciting to see all the new faces eager to join our sport. Thank you Neil and Phil, you are doing great at engaging the class in the art of sailing.

We continue to have EDISTO on Friday nights. Last Friday, we had a special visitor, Ralph the Macaw. Ralph is Nancy's special friend and he joined us for the evening. It was fun watching our Ralph G. engage with our new friend, Ralph.

The Fall Series was held on the 27th of August, and for the first time in many years, the Catalina 22 class left from JRSC and sailed a course around Turtle Island. Five Catalina's participated and all agreed it was a great event and should be continued as a fall series class. It was good to see the Jolly Roger Fall series once again include the Catalina's and to have so many of our club boats participate. The rest of the races, for bigger boats, was held off of Toledo Beach. After the races were over, thirty-five members and guests met at JRSC for a spaghetti dinner and awards ceremony. A big thanks to all our volunteers who made this event so successful. This was also the end of our Dinghy Raffle. The winning ticket was drawn and Tim McBride of Lakewood, OH won. Over \$4,000 was generated from this fundraiser. Thank all of you who helped support this fundraiser by purchasing and especially those who helped by selling tickets, you are what made it a success.

On Saturday, September 10 we are having a Nautical Garage Sale/auction. Excites, miscellaneous sails, books, various kitchen and bar items, pictures, and various sailing paraphernalia will be on sale. Tables are available for your own items at \$5.00 a table. The sale will run from 10-4. After the sale we will have burgers on the grill and do a BIG BUTTS IN LITTLE BOATS race with the optis. So come and brouse, pick up some bargains and join in a fun race.

Our next Race will be the Buccaneer, held out of Anchor Point/Meinkes on September 3. I hope to see a lot of our big boats out there. And don't forget there will be barbeque ribs afterward for \$12 a person. So come and party with the crew at Meinkes.

Don't forget JRSC's got talent is coming up also. It should be a special event as Toledo Yacht Club is rumored to be coming and challenging us. So let's all step up and show them how talented we are.

## From Nine to Ninety

Sailing is a lifetime sport. You can't say that about football...or baseball...or tennis...(ping pong maybe). Perhaps it's because a lot of sailing is done sitting down. But then again, they're seated in motor sports. How many 90 year old NASCAR drivers do you see on Sunday? Sailing is a lifetime sport.

Sailing provides us with a lifetime of learning. Any sailor will tell you that. I'm constantly discovering new things about my boat...about the weather...about the lake. Every time I go out. For example, I recently learned that you can't sail a boat with a 4.67 foot draft in four feet of water. Sailing provides us with a lifetime of learning.

So if you're nine you have decades of sailing ahead of you. I envy you. (Except for that puberty part. That's gonna suck.) And if you're ninety, you have precious memories of a life spent on the water. Wonderful stories about sailboats, races, and crewmates past. And many of those tales are actually true. Did I ever tell you about the time we hit the Charlevoix Bridge? Or that time I...

Did I mention that sailing is a lifetime sport?

Fair winds,

*Vice Commodore Phil*

## JRSC FALL SERIES

We had another successful Fall Series on Saturday the 27th.

There were five Catalina 22's (including both of the club boats) on the Round-Turtle-Island Course. Six PHRF boats competed on the main course using the North Cape Marks.

An event of this caliber is not possible without the help of many people.
